

Business Energy Seminar

"Energy Savings Today & Tomorrow"

Going green is no longer a feel good cause- it can be a competitive advantage and make a business more profitable in the marketplace.

Small to medium size businesses will learn how to improve the bottom line by controlling energy costs now and in the future.

Panel presentations will include:

Barbara Rodriguez, Suez Energy
Don Droppo, Jr., Curtis Packaging
Erik Robie, UTC Power
Adam Ney, CBIA
Filomeno & Company, P.C.

January 16, 2009

8:00 a.m. - 10:30 a.m.

Farmington Marriott

\$35 per person

(includes continental breakfast)

Sponsor and exhibitor opportunities available.

More than Adding Numbers, Adding Value
